- Fast and temporary access to PURELL Hand Sanitizer– it’s a quick stop for sanitizing
- Great solution when immediate access to PURELL Hand Sanitizer is needed
- Corrugate stand can be easily moved and placed where needed.
- This is a kit containing one stand and two 1 liter refills. Separate refills are not available except as a kit.

Using PURELL Advanced Hand Sanitizer has been clinically proven to virtually stop the spread of illness causing germs.*

*Based on 2013 University of Arizona Study showing a reduction in transfer of germs to household surfaces and hands. Visit PURELL.com for a summary of the study
